MAINE MEMORIAL

(Continued from page 1.)

known dead whose memory was eulogized by Governor Willis of Ohio. The rough pile of granite marking the huge grave of 2,111 Union soldiers whose rank and names are not known was covered with flowers. Following those ceremonies, was the memorial tribute to victims of the Spanish war under auspices of the District of Columbia War Veterans. Secretary Bryan was on the program as orator of the day, following an opening address by Department Commander H. C. Wilson.

Elaborate ceremonies, characterized the memorial to the Civil war dead under auspices of officers of the Grand Army of the Republic and Woman's Relief Corps. They were held in the historic, vine-covered amphitheater on the crest of the Arlington grounds overlooking the national capital. John McEllor, acting department commander of the Grand Army of the Republic, was President of the ceremonies, to introduce President Wilson and other speakers including Past Department Commander A. P. Tasker, Past Department Commander George H. Slaybaugh who read Lincoln's Gettysburg address, and Mrs. Isabel Worrell Ball, past national senior vice president Woman's Relief Corps.

The program included a salute of twenty-one guns, at the arrival of the president. After the general ceremonies and decoration of the graves of 23,000 soldiers in Arlington, came the dedication of the Maine memorial which closed the day's events.

MANY JOIN

The First Methodist Episcopal Church Following the Hamilton Campaign.

Three hundred and twenty-one persons were received into the First Methodist Episcopal church here Sunday, following the closing of the evangelistic services conducted by the Rev. John S. Hamilton, of Cleveland, O. The church now has a membership of more than 1,300. From the outlook this number will be increased as a result of the tabernacle meetings, to between 1,400 and 1,500 members. The Rev. G. D. Smith has been pastor of the church for three years.

The attendance at the church at all the services Sunday was perhaps the largest in all its history. At the morning service 131 persons received the ordinance of baptism by sprinkling. Fourteen were immersed in the afternoon, and five more immersed at the night service.

MRS. WILLIAMS' LONG SICKNESS

Yields To Lydia E. Pinkham's Vegetable Compound.

Elkhart, Ind.:—"I suffered for fourteen years from organic inflammation, female weakness, pain and irregularities. The pains in my sides were increased by walking or standing on my feet and I had such awful bearing down feelings, was depressed in spirits and became thin and pale with dull, heavy eyes. I had six doctors from whom I received only temporary relief. I decided to give Lydia E. Pinkham's Vegetable Compound a fair trial and also the Sarsaparilla. I have now used the remedies for four months and cannot express my thanks for what they have done for me.

"If these lines will be of any benefit you have my permission to publish them."—Mrs. SARAH WILLIAMS, 455 James Street, Elkhart, Indiana.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

KNIGHTS OF COLUMBUS INITIATE LARGE CLASS

Of Candidates and Make Merry at a Big Banquet Sunday.

KNIGHTS m m m m m
Memorial day was fittingly celebrated Sunday by Clarksburg Council, No. 872, Knights of Columbus, when it initiated a class of forty-eight members into its order and served a banquet to more than 300 local and visiting members of the order.

At 9 o'clock a. m., the members and candidates met at the Knights of Columbus hall on West Pike street and marched in a body to the immaculate Conception church, where mass was celebrated by the state chaplain, the Rev. The members and candidates assembled at the St. Mary's high school building at 2 o'clock p. m., for work in the second and third degrees, the second degree being exemplified by Fairmont Council, No. 942, and the third degree conferred by State Deputy Dan B. Leonard, of Parkersburg, and staff.

The closing of the program came at 8 o'clock in the evening when all assembled at St. Mary's auditorium for the banquet, which was served in the capable way by the ladies of the congregation. A color scheme of red, white and blue was used in decorating the hall and tables and American flags, cut flowers and palms, as a courtesy of the Hayman Greenhouse Company, were the principal decorations of the auditorium.

GRADUATES HEAR SPLENDID SERMON

Dr. W. C. Taylor Makes Forceful and Inspiring Creative Address.

An exceptionally beautiful and impressive service was held Sunday afternoon at the First Baptist church when the baccalaureate address was delivered to the graduating class of Washington Irving high school by the pastor of the church, the Rev. Dr. W. C. Taylor. The class, forty-seven in number, will be graduated Thursday night in the auditorium of the high school.

Church Crowded.
The church was crowded with an interested audience, the Sunday school addition and all the galleries being filled. A magnificent musical program, under the leadership of Miss Cora Smith was carried out and added much to the enthusiasm of the occasion. Encouraged by the attentiveness of the big audience, Dr. Taylor rose to supreme heights of eloquence and gave one of the most striking and powerful addresses he has ever delivered here. That the high school students derived much benefit from his efforts to guide their spiritual life in the right channels none who heard his fine talk will gainsay.

Dr. Taylor's subject was "The Power of the Personal Knowledge of Christ" and the principal points of the sermon were as follows:

Break Man and God.
Everyone finds himself in the knowledge of Christ—He reveals man to himself and to his God, and reveals God to man. There are many men out on one manhood and that is revealed in Christ. There are many reasons but only one reason that is universal and divine and we find that in our knowledge of the Christ.

In our knowledge of Christ we learn of the Father all that we can know. "He that hath seen me hath seen the Father." Through Him we have our only knowledge of heaven. If we ever reach heaven as a place it will be because we have first reached heaven as a life, and we find that life in Christ. He came to this world not to get men to heaven but to get heaven into men; not to keep people out of hell but to get the hell out of sinners.

It is in our knowledge of Christ that we find the right dispositions of life. Dr. Taylor discussed these dispositions and their value, and showed that they underlie all the works of life. Christ has come, he said, to bring the rate into the unit, and the disposition of confidence and brotherly love.

Courage for Life Work.
The heart finds courage in the knowledge of Christ for all the tasks and trials of life. This was vividly illustrated from the life of one of the apostles and from personal experience.

In the knowledge of Christ all of humanity's questions concerning the eternal future find their solution. Every heart has its great questions that science can never settle and for which philosophy offers no help. These questions imply the existence of a life beyond and concerning them Christ stands forth as the only authority. To deny the word of Christ concerning the destiny of man is to surrender all authoritative statement.

The conclusion commended to all seekers of knowledge to seek that special spiritual knowledge revealed in and through Christ, which is adapted to the deepest needs of the universal human heart. The sermon closed with the quotation, "This is Life eternal, to know God and Jesus Christ whom he has sent."

MEMORIAL DAY

Is Observed by Grand Army of the Republic and Deceased Comrades Remembered.

Today is being quietly observed as a legal holiday, commemorating Memorial Day which fell on Sunday. The banks, barber shops, public offices and a number of the business houses are closed and the postoffice is observing the usual holiday hours.

Sunday was officially observed by members of Custer Post, No. 8, Grand Army of the Republic, and other war veterans. The post members marched from the court house to the Central Christian church where at 11 o'clock a special sermon in their honor was preached by W. M. Long, minister of the church, with a large congregation in attendance. The sermon while consistently religious was intensely patriotic and very pleasing to war veterans.

In the afternoon graves of deceased comrades in various cemeteries were decorated.

SIXTY HORSES TRAINING AT FAIR GROUNDS

Activities at the Fair Plant Remind Visitors of Annual Meeting.

Sixty horses are in training at the fair grounds track and the scenes at the plant remind one of fair week. Some of the best horses that will be campaigned over the half mile track this season are there and will be given their final preparations over the course which is described as ideal for training.

Stout Brothers, with their large string, Bob Litter, with the Parr and other horses; Harry Thatcher with several good ones; Doc Varner, Dr. Willis, and others, have harness horses there, while Matt Jordan is quartered at the track with several of the best running horses ever gotten together in West Virginia. These belong to Mr. Rose, of Boothsville, who will ship them to the Kentucky tracks in a few days.

The most imposing stable at the track is that of the Stout boys, who will begin their season at Youngstown, O., in a few weeks and come on down the line to the finish. They have several horses staked and will have the largest number that they have ever campaigned. "Linnie" Stout, who will do the training this year, has been getting excellent work-outs from Birdonna, the sensational pacer of last season; also from that grand mare, Lady Venus, which is showing much this season. Also in the barn is "The Mason," which gives every appearance of a good one this season.

When the Stouts ship to Youngstown, Bob Litter will go along with the Parr string and begin his campaign the same week. These horses have been responding nicely to the veteran's rigid preparatory work and they are said to be ready to race. One or two from the stable is staked at Fairmont and will race there and at Clarksburg.

Harry Thatcher has some fair prospects, one by The Imitator, which he has about ready, while Varner has some promising material, including one owned by Eddie Denham, of which good things are said.

Matt Jordan has the most imposing string of runners he has ever trained. It is a stable put out of training on account of the death of a former owner a couple of seasons ago. All wintered well and the aged horses are ready for a hard campaign, while a couple of babies, one by Stromeland, from the Shaver farm here are of much promise.

President Denham is keeping the track as near perfect for training conditions as money will allow and the horsemen are appreciating his kindness. There is running water in all of the barns and some have gas for their stoves and water heaters.

There is scarcely an hour during daylight but that a number of horses are out and large crowds go out from town every nice afternoon to see the speeders in action.

In Memory of the Deeds of By-gone Days

Decoration will soon be at hand and many an old remaining comrade will be laying a kindly hand on the shoulders of the youth and relate of the deeds of long ago. May 30th will be a day of celebration in honor of our dead Soldiers.

Perhaps you may be going away for the occasion, but no matter where you may be you will be correctly dressed if you are wearing a Stein-Bloch Suit.

A Blue Serge Suit

A blue serge suit would be very appropriate for the day and besides combines long service with dressiness. Stein-Bloch blue erges at \$18.50, \$20, \$25 are not surpassed by any others—styles for the adult and the youthful figure.

Plenty of other fabric suits too—soft, pencil striped cassimeres, blues, blacks, the ever popular grays.
